Navigating the range.

The Laminex Colour Collection is a timeless range of laminates, categorised into four décor categories: Whites & Neutrals, Woodgrains, Minerals and Accents – globally inspired by the colours from nature for all Australians to enjoy.

Whites & Neutrals

Laminex Whites offers a range of base tones giving each shade its distinctive character. Mid tone neutrals are inspired by nature, offering raw, organic characteristics and a selection of dark colours feature deep, earthy browns through to intense charcoals and blacks.

Woodgrains

Laminex Woodgrain surfaces beautifully reflect the authentic textures and tones of solid timbers. Select from cool and neutral grey tones, through to lighter warm and darker woodgrain surfaces.

Minerals

The Minerals range is inspired by the textural beauty of natural stone and concrete surfaces. Marble decors offer timeless sophistication whilst our aggregates deliver a luxurious look of natural stone, quartz and terrazzo styles. Our concrete decors are raw and unrefined, bringing a sense of lasting durability.

Accents

The Laminex Accents range is an evolving palette of decors that reflect shifting design trends. Accent colours can help lift and add impact with soft and delicate pastels to brilliant bolds, or even create whole rooms of pop and vibrancy.

Laminex Finishes.

Most Laminex colours are available in a range of finishes for various applications. Here's a guide to each of the laminate finishes:

Natural Finish

A low sheen, smooth touch surface that is a durable and low maintenance option for benchtops and cabinetry.

Flint Finish

Silk™ Finish

Chalk Finish

PureGrain Finish

A luxurious surface with the delicate graining of painted timber that brings subtle beauty and compelling tactility to cabinetry.

AbsoluteMatte® Finish

A super-matte, tactile and fingerprint-resistant surface, coupled with antibacterial protection and suitable for benchtops and cabinetry.

Made from 30% reclaimed material, Paper Finish has the organic, hand-made texture of recycled paper, suitable for square-edged benchtops.
